## To Subscribers, Potential New Subscribers, Complimentary Subscribers

Dear Friends,

Who would have imagined that this year we would be welcoming children of our original subscribers of 1993? A whole new generation of readers for **Little Falcons** is out there excited to join our journey. Most of the first 8-12 issues have been sold out. So for this reason we are revisiting and rethinking some of those core themes. We want our young and new readers to be grounded in our Faith. This years themes are: **Church Bells, Good Earth, Holy Gospel, Saints of America.**

Our magazine has always been about getting children and their parents to read. Read and discuss about how our faith interacts with our life. Knowing that we are the only Orthodox Children's magazine in English makes us want all the more to provide you with the best materials for your children's religious education in the home.

Church Schools continue to support us because they also value the use of the thematic approach in the classroom. And those bulk subscriptions are the kind of support we need! Thank you to all our subscribers who have helped us through these **eighteen years of publishing.**

I'm asking you now to please support our work again. Our Orthodox children need good reading material. Please subscribe today! Please renew today! Please sign up a new subscriber or send a donation today! Please urge your church school to sign up for a bulk subscription! Hop on our journey, so that we can share with you our Orthodox Faith during the coming year.

In Christ the Lord,

Fr. Thomas Kazich  
Editor
